intertextile
SHANGHAI apparel fabrics

10 – 12.3.2027

National Exhibition and
Convention Center (Shanghai)

Econogy Hub
A dedicated zone for eco-game changer

Econogy Hub

It is an integrated platform combining exhibition space, the Econogy Talks stage, and a curated display area for maximum visibility. Connect directly with eco-conscious buyers, lead industry conversations on stage, and maximize your exposure through our Econogy Finder directory and guided Econogy Tours.

WHO should exhibit?

- Next-gen material & eco-fibre suppliers
- Textile recyclers & circularity firms
- Clean chemistry & bio-dyeing developers
- Traceability & digital passport platforms
- Testing labs & certification bodies
- ESG & carbon software providers
- Sustainability alliances & associations

Participation details

Booth rate: Starting from 5,355 (9sqm)

Application deadline: 27 November 2026

Please note:

- *Passing the Econogy Check assessment is mandatory for all exhibitors participating in this dedicated zone.*
- *Speaking slots are strictly limited, allocated on a first-come, first-served basis.*
